

Buying from Shady Grove Ranch is easy! There are 3 ways to buy:

1. **By-the-cut**, which means you can purchase single packages of things, including steaks and chops (both of which are usually 2 per pack), single pound packs of ground meat, and single whole chickens or roasts. We have a special loyalty-card program for by-the-cut purchases that allows you to collect stamps for each purchase over \$100. After the 5th purchase, use your card to get \$50 or 20% off your next order (up to \$100 off), whichever is greater.
The advantage of by-the-cut purchasing is flexibility—you get exactly what you want. The disadvantage is that you don't always know what the price will be until your order is weighed.
2. **Samplers**. We have put together a number of sampler packs to allow fast ordering and predictable pricing and to provide great food at a slight discount over by-the-cut. It also gives you a chance to try new cuts that you may not be familiar with.
3. **Bulk**. At Shady Grove Ranch, this can mean two different things. It may refer to our **Large-Order Discounts**, where we give price breaks on 20+ pound purchases. But Bulk also refers to purchasing **by-the-animal**, as in purchasing a half pig or a quarter cow. See our [Bulk Processing FAQ](#) for details.
